3-23-16 Utah Gov and Industry meeting UO FIP_r2 do.docx

Hi Darcy,

I added response language to the last two bullets under the Tribal resolution section and am attaching the revised version. Also, I called Mike Boydston, he is following up with Kim and Kimi to see if they have had a chance to review and provide comments. I will let you know once I hear back from them, however, I wanted to get you a revised version in the meantime in case you needed it.

Thanks,

Dee

Dee – I made some changes to the talking points, but I'm a bit unclear on the last section on addressing the Tribal resolution. Can we chat about this Monday am? I just sent you an invite for 15 minutes at 8:15. Please stop by if that works for you.

I've attached my updated version.

Thanks!

D

Darcy

For your review is a talking point and background paper on the U&O FIP for Shaun to use at a meeting with the UT Governor and industry reps next week (along with some additional background info we used for the Ute consultations).

As Dee notes below we are waiting for Mike and Cindy to review, but this is the latest version.

Carl,

I am still waiting for input from Mike Boydston and Cindy Beeler on this document, however, I thought you might get some inquiries today for it, so I thought I better at least give you the draft. I am also including a document with background information and other information that might be helpful for us at the meeting.

Thanks,
